In the attic light where the boxes lean

13	G I				Am ii			
----	--------	--	--	--	----------	--	--	--

I found the record you kept so clean

14

Am ii				Am ii			
----------	--	--	--	----------	--	--	--

Sleeves worn thin,

15

Am ii				Am ii			
----------	--	--	--	----------	--	--	--

corners torn But the grooves still hold the sound of home

16

Am ii				Am ii			
----------	--	--	--	----------	--	--	--

Needle drops and the years rewind Every

17

G I				Am ii			
--------	--	--	--	----------	--	--	--

crackle pulls you back in time

18

D V				D V			
--------	--	--	--	--------	--	--	--

Your voice in the static,

soft and near Like it never left,

19

Am ii				Am ii			
----------	--	--	--	----------	--	--	--

you're still right here

20

C IV				D V			
---------	--	--	--	--------	--	--	--

There's dust on the vinyl

but your song still plays

21

D V				C IV			
--------	--	--	--	---------	--	--	--

Spinning it back to the golden days

22

Am ii				G I			
----------	--	--	--	--------	--	--	--

Scratches and silence but the melody stays

23

----	----------	--	--	--	----------	--	--	--	--

sunlight's low Coffee brewing on the radio

32	D V				D V				
----	--------	--	--	--	--------	--	--	--	--

We dance in the kitchen,

33	C IV				G I				
----	---------	--	--	--	--------	--	--	--	--

hand in hand Feet on top but hearts on sand

34	Am ii				Am ii				
----	----------	--	--	--	----------	--	--	--	--

Now the floor is quiet,

35	G I				Am ii				
----	--------	--	--	--	----------	--	--	--	--

the radio's on But the record remembers the same old song

36	Am ii				Am ii				
----	----------	--	--	--	----------	--	--	--	--

I close my eyes and I feel you

37	G I				Am ii				
----	--------	--	--	--	----------	--	--	--	--

sway The music carrying what words can't say

38	D V				D V				
----	--------	--	--	--	--------	--	--	--	--
